Ms. Shubeck,

Attached is the proposed stipulation to extend the time you have to respond to the motion to dismiss the first amended complaint from July 3rd to July 17th. Please read through the stipulation and let me know if you approve or if you have proposed changes.

Also, please note that in Federal Court we are allowed to file documents like this with an “e-signature”, but only with the consent of the party. You will see examples of an e-signature at the end of the document. You will see that I have language in the document indicated that you consented to use your e-signature. If you do consent to using your e-signature, please respond to this email and let me know you consent to using it.

If you do not consent to using your signature, please let me know and I will re-send it to you without the e-signature language. In that case you will need to sign it and send it back to me (a scanned copy or a quality picture of the signed page and emailed to me is fine).

Best,

Matt
